1. **Visit and Academic Screening:** During the school year, all prospective students must have an at school visit as a part of the application process. (Special arrangements will be considered for applicants from outside the St. Louis Metropolitan area.) Little Pelicans (PK3), Pre-Kindergarten and Junior Kindergarten applicants should visit Covenant School for 2-3 hours. Applicants for Kindergarten and first grade should visit for a half day. Second through sixth grade applicants should visit for a full day. Applicants for Kindergarten through sixth grade will be screened for academic readiness during their visit. During the summer all prospective students will be given an academic screening.

2. Enrollment Interview: Parent(s) or guardian(s) will meet with two members of the school board.

### Testimony of Faith

Covenant Christian School is a covenantal school and exists to assist Christian parents in the education of their children within the context of a biblical worldview. Covenant's bylaws require at least one parent to be a believer in the Lord Jesus Christ and to give a testimony of that belief. The purpose of the enrollment interview is to give one or both parents the opportunity to provide your Christian testimony. If you have never given your testimony before, you may consider the following suggestions prior to the interview:

1. You may want to share some general background information about yourself.
2. Consider sharing specific circumstances that the Lord used in your conversion
3. Reflect on the changes that took place as a result of your acceptance
4. Answer the question, "On what do you depend for your salvation?"
5. Share what the Lord is doing now in your life
6. Finally, relax. We understand that everyone's conversion experience will be different!
