

Clothing Guidelines

Covenant Christian School
Updated June 22, 2020

Introduction

Covenant Christian School desires to create an atmosphere that encourages personal growth in Christian character and is conducive to learning. A factor that contributes to the atmosphere of the school is student dress. The experience of numerous schools has confirmed that standardized student dress presents several important advantages for school life. Examples of these advantages include reducing competition and peer fashion pressure, increasing mutual respect among students and promoting school spirit.

To this end, the school has adopted clothing guidelines for students in Little Pelicans and Junior Pelicans and standardized dress for students in grades Kindergarten through Sixth.

Please note that all items purchased in the past with the Covenant School logo are “grandfathered in” and that you are welcome to send your student to school wearing these items.

For detailed instructions on how to order standardized dress items from Lands’ End, please see the section titled “Ordering Information” towards the end of this document.
